## SUMMARY

Working as MEDICAL LABORATORY SCIENTIST(MLS) with a strong background in performing qualitative, quantitative, and screening test procedures on materials derived from the human body. With a Master's degree in Medical Microbiology and comprehensive experience in laboratory settings, I have effectively contributed to disease diagnosis and treatment. My expertise includes analyzing various biological specimens, reporting results to physicians, and lecturing at prestigious universities. I am proficient in English, Arabic, and Kurdish languages, with excellent skills in analysis, Microsoft Office, and multitasking under pressure.
