Personal Information

Full Name: Millat Hussein Mustafa

Date of Birth: October 1, 1993

Nationality: Iraqi

Address: Duhok, Kurdistan Region, Iraq

Phone: +964 750 701 6069

Email: millathuseen0@gmail.com

mllat.mustafa@duhokcihan.edu.krd

Professional Summary

Lecturer in Medical Biology with significant experience in both clinical and academic laboratory settings. Currently serving as Head of the Medical Laboratory Department at Cihan University – Duhok. Interested in reading and researching Medical biology, Molecular Biology, and Genetic diseases. Skilled in a wide range of laboratory techniques, including genetic diagnostics, molecular procedures, and the biological pathogenesis of diseases. Detail-oriented and energetic with over five years of proven success in medical laboratory work, teaching, and departmental leadership.

Academic Qualifications

- **M.Sc. in Medical Biology (Molecular Biology)**

Tokat Gaziosmanpasa University – College of Medicine

Tokat, Turkey (2022 – 2024)

Thesis: Determination of *ACTR2* gene expression in kidney cancer

- **B.Sc. in Medical Laboratory Sciences**

College of Health Sciences, Duhok University

Duhok, Iraq (2012 – 2016)

Research Project: Urinary tract infection (UTI) in adults

Professional Experience

➤ **Cihan University – Duhok | College of Health Sciences**

Lecturer & Head of Medical Laboratory Department

2023 – Present

- Teaching Microbiology, Bacteriology, Mycology, Immunology, and Histopathology
- Leading the academic and administrative activities of the department
- Supervising lab training and research for undergraduate students

Laboratory assistant

2019 – 2022

- Taught practical and theoretical courses in Microbiology, Immunology, and Histopathology
- Assisted in curriculum development and examination supervision

➤ **Duhok Polytechnic University**

Laboratory assistant

2018 – 2019

- Department of Laboratory Technology, Duhok Institute
- Courses: Microbiology and Lab Instrumentation

➤ **Shikhan Polytechnic University**

Laboratory assistant

2017 – 2018

- Courses: Hematology and Histopathology

➤ **University of Duhok | College of Health Sciences**

Laboratory assistant

2016 – 2017

- Department of Medical Laboratory
- Courses: Medical Microbiology, Human Physiology and Histology.

➤ **Clinic Consulting Laboratory**

Laboratory employee

2016-2022

- Sahid Mohammed Salah Boti

Voluntary Work

- **Heevi Pediatrics Hospital – Hematology Department**
Voluntary Lab Technologist | 2015 – 2016
 - **Laboratory Duhok Center for Kidney Disease**
Voluntary Lab Assistant 2019- Present (Every Thursday)
-

Certifications and Courses

- **Harvard Medical School**
"Coronavirus in the US: Facts, Fictions, and Practical Tips" – April 13, 2020
 - **International Association for Human Values**
Certificate of Participation – December 2015
 - **Training of Trainers (ToT)**
NLP Organization for Training & the University of Atlanta, USA
Certificate No. 2726-1 – December 5, 2024
-

Skills

- Proficient in medical laboratory instruments and diagnostic equipment
 - Experienced in genetic and molecular biology lab techniques
 - Strong knowledge of microbiological and immunological testing
 - Skilled in Microsoft Word, Excel, Internet browsing, and email communication
 - Effective time manager and collaborative team player
-
